3. The grantee and subgrantee must comply with FEMA's codified regulation 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
4. The grantee and subgrantee must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements.
5. When implementing GPD-funded activities, the recipient must comply with all federal civil rights laws, to include Title VI of the Civil Rights Act, as amended.
6. The recipient acknowledges that GPD reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use, for Federal government purposes: (a) the copyright in any work developed under an award or sub-award; and (2) any rights of copyright to which a recipient or sub-recipient purchases ownership with Federal support. PROJECT NUMBER 2008-BZ-T8-0035

AWARD DATE 09/03/2008

SPECIAL CONDITIONS

8. The recipient agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this agreement.
9. The recipient agrees that federal funds under this award will be used to supplement, but not supplant, state or local funds for the same purposes.
10. The recipient agrees to submit quarterly financial reports on Standard Form SF 269A. These reports will be submitted within 30 days after the end of the calendar quarter, with a final report due 90 days following the end of the award period. The report shall be submitted in the Payment and Reporting System (PARS).

In accordance with Treasury regulations at 31 CFR Part 205, the Grantee shall maintain procedures to minimize the time elapsing between the transfer of funds and the disbursement of said funds. See 44 CFR, Part 13.21(i) regarding payment of interest earned on advances.

11. To the extent that recipients of a grant use contractors or subcontractors, such recipients shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.

Failure of the recipient to meet Federal, State, and local EHP requirements and obtain applicable permits may jeopardize Federal funding. Recipient shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings that are 50 years old or greater. Recipient must comply with all conditions placed on the project as the result of the EHP review. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements. If ground disturbing activities occur during project implementation, the recipient must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, the recipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office. Any construction activities that have been initiated prior to the full environmental and historic preservation review will result in a non-compliance finding.
14. The recipient agrees that all allocations, use of funds, and other associated requirements under this grant will be in accordance with the Fiscal Year 2008 Buffer Zone Protection Program (BZPP) Guidance and Application Kit. Allocations and use of grant funding must support and be coordinated with the goals and objectives included in the State and/or Urban Area Homeland Security Strategies.
